**FOR IMMEDIATE RELEASE**

### **Culminis selects Operitel to provide Official Microsoft E-Learning for 3 million IT Pro members**

Peterborough ON., March 18, 2009: Operitel Corporation, developer of the award winning LearnFlex™ learning management system, announced that it will be providing over 3 million Culminis IT Professionals with access to Official Microsoft E-Learning along with other IT, Developer and general business e-learning courses at preferred pricing through their online application ITSkillBuilder.

“I am particularly thrilled that Operitel and our IT Skillbuilder solution has been chosen to support the Culminis network. The Culminis network brings over 3 million IT professionals together and is the premier network for professionals in this space. With the current uncertainty of the global market our partnership will ensure that IT professionals maintain their ever changing skills. We feel that our partnership with Culminis is a natural fit for both of us as we can provide highly relevant and quality e-learning content in a cost effective way.”

“We are extremely excited to be working with Operitel Corporation to offer this service to IT Professionals around the world. This partnership furthers our commitment to the IT profession allowing our over 3 million members access to high quality skills development. Career growth is a key part of our mission, making this announcement very significant to our future direction.” said Graham Jones, Chair Elect and Director of Communications of Culminis.
