

PRESS RELEASE

FOR IMMEDIATE RELEASE

Operitel Corporation Partners with the Greater Peterborough Innovation Cluster

Peterborough ON., June 18th, 2008: Operitel Corporation, developer of the award winning LearnFlex™ learning management system, partnered with the Greater Peterborough Innovation Cluster. The Greater Peterborough Innovation Cluster is a regional economic development initiative focused on commercializing regional DNA and related life sciences innovation, built on strategic alliances between private and public sector participants.

“Joining the Greater Peterborough Innovation Cluster is an excellent example of public and private partnerships. With our excellence and involvement in the Learning Management System industry, we know we will be a great asset to the partners of the Innovation Cluster. We hope to capitalize on our experiences and provide advice back to the Innovation Cluster regarding ways to commercialize information,” said Michael Skinner, President and CEO of Operitel Corporation.

“We are happy to welcome Operitel as the Innovation Cluster's newest member. Membership will allow Operitel to be part of the innovation economy in Peterborough. It's a great fit and will benefit both sides with an opportunity to share information, ideas and best practices,” said Innovation Cluster President, Andy Mitchell.

About Operitel

Operitel Corporation, producer and distributor of the award winning LearnFlex Learning Management System, is an educational technology company that specializes in building adaptive, web-based enterprise-level applications. Since 2001, Operitel personnel have built and deployed applications for many clients in the high tech, financial, educational, and transportation sectors. Operitel is committed to supporting organizations in the acquisition, creation, and transfer of information and knowledge – the essential ingredients for success in a rapidly changing global economy. Operitel is located in Peterborough, Ontario, Canada. For more information on Operitel, please go to <http://www.operitel.com>. For more information on the LearnFlex learning management system, please go to <http://www.learnflex.com>.

About Greater Peterborough Innovation Cluster

The Innovation Cluster is founded on a multi-party collaboration between Trent University, the Greater Peterborough Area Economic Development Corporation, Sir Sandford Fleming College, the Ontario Ministry of Natural Resources, and private sector representatives. It is incorporated as a not-for-corporation entity with a Board of Directors that has strong leadership and governance experience. The Cluster enjoys widespread citizen support throughout the greater Peterborough region. For more information, please visit: www.innovationcluster.ca.
